Experience the joy of music by listening to the music of joy.
And don't forget to explore Hungary either.

The performances of world-class musicians take you back to the essence of jazz: spontaneous improvisations. Some of the greatest musicians of traditional jazz today will meet in Hungary and provide you with the best jazz you've ever heard. Musicians, who have never played together before will work together in perfect units. Do you think it's risky? It might be but not for you: we do guarantee the quality of the Bohém Festival (see end of this brochure for 100% money-back guarantee). You don't have to believe it, you have to experience it. If you miss it, you'll be missing one of the greatest experiences of your life as a jazz lover.

**Our motto is:
we don't simply sell tickets but we offer musical joy,
comfort and life-long experiences.**

Therefore, to make your stay complete, once you take the time to travel to Hungary, we would like to show you some of the hidden treasures of Hungary and suggest you spend a few extra days in our country. We are offering 7-day packages with exciting programmes organized and conducted by the most charming, most helpful and most efficient guide you've ever had.

**So let me introduce Bogi to you.
She is your guardian angel while you are in Hungary.**

"Bogi was a terrific guide, and all the helpers very friendly."

(Margaret Stone, UK)

"Dear Bogi, [...] This year couldn't have been better thanks in no small measure to your guiding us around so expertly."

(Patricia and Tony Dowland, UK)

"Hi Bogi, Jenny & I really enjoyed our visit to Hungary this year and it was made especially enjoyable by your help during the tour."

(Paul Izzard, UK)

"Tamas, You surpassed yourself. I didn't hear a single complaint from the English group... nothing but praise for the great music, the friendly atmosphere and not least for Bogi who was absolutely wonderful."

(Judy Eames, UK)

"Hi Bogi, This is a very late, but very big "THANK YOU" for making our trip so thoroughly enjoyable... and so EASY! Grandsons Chris and Matthew are still telling everyone they see about all the great sights they saw, music they heard, etc., etc., as are Nathan and I. We would love nothing more than to be able to come again."

(Barbara Coffey, USA)

Well, what, if you don't have time to spend a few extra days in Hungary and only want to come for the Festival?

That is, of course, possible, see the end of this brochure for ticket prices and other information.

But if you wanted to stay once you have made such a long trip to a foreign land...

Bogi and her team will wait for you at the airport, they will take you to your hotel, they will hand you your festival pass, they will be at your disposal at any time for giving the right information you need and they will take you to several places before and after the festival including the Puszta (for some unbelievable horse-show), famous Hungarian spas, wine-cellars, great cities such as Eger, Lillafüred, Szentendre and Budapest and even to a river cruise on the Danube with a jazz band aboard.

"Several people said how much they enjoyed mixing jazz with sightseeing and they also appreciated hearing styles that we don't often have in the UK. The river trip made a very special last evening again [...] The chance to meet old friends and make new ones is another important part of the festival."

(Judy Eames, UK)

You have the choice of choosing one from our two 7-day packages. The first one includes only Budapest and its vicinity after the festival in Kecskemét and the second one is mainly for those who have been to our festival and/or Budapest already and want to see something new; and for those, of course, who wouldn't mind exploring the Hungarian countryside and spend only a short time in Budapest. In either way, you only have to take care of getting to Budapest on March 26 and the rest is our business.

"Thank you so much for a wonderful time in a wonderful country! I really can't say enough about how beautiful Hungary is, and how wonderful the people are!"

(Pat Dinneen, USA)

Both packages include all ground transportation (also airport pick-up), 6 nights hotel accommodation with breakfast, some of the meals (as indicated), 3-day festival pass, trip to the Puszta and jazz cruise on the Danube. The rest is different depending on which package you choose. Here is the detailed list:

We are offering you a wonderful 90-minute DVD made at the 2008 Bohém Festival. Basically this is a recording that we don't sell and use it as a fund-raiser for the 2009 Festival. However, we appreciate early birds so much that if you are sure that you'll come and send us the whole amount for one of the packages at once until Monday, December 1, 2008, we'll mail you this DVD. You'll get one copy per person, so if you are a couple or family and wouldn't need more than one copy, you'll get more anyway, and you'll be grateful to have something valuable to give to your friends for Christmas. Remember, this DVD will NOT be for sale at any time so this is a great chance to have it. It is professional quality and features the headliners of the 2008 Bohém Festival: Jonathan Russell (USA) jazz violinist with the Bohém Ragtime Jazz Band, the Antti Sarpila Swing Band (Finland), the Paris Washboard (France) and the Bratislava Hot Serenaders (Slovakia).

What happens if you pay but then can't come for some unexpected reasons?

Down payments are not refundable. Final payment is refundable until March 20. If you decide not to come after this date, it is your loss. If you pull out before March 20, we pay your money back, except the down payment. We do it via bank but the bank expense will be deducted on your end. We need no explanation just a written proof that you pull out (E-mail or regular mail). However, all payments (including down payments and final payments) are transferable. We are flexible and try to make everything as convenient and safe for you as possible.
